

MEMORANDUM

TO: Planning Committee Members & Alternates
FROM: James Stack, Executive Director JS
DATE: October 7, 2021
SUBJECT: Staff Modifications to the *2020-2024 Transportation Improvement Program*

The *GTC TIP Procedures Manual* (revised August 26, 2021) allows for GTC staff to make minor modifications to TIP projects with concurrence from the TIP Development Committee (TDC). The Procedures Manual requires that certain changes be reported to the GTC Planning Committee for informational purposes.

On August 31, the TDC raised no objections to the following changes:

- **Add new non-Federal funding and modify phases with no change in total Federal Share** to the Genesee Street Reconstruction project (City of Rochester)
- **Divide** the Rt 31 from Rt 19 to west of Salmon Creek Rd & Rt 260 from Rt 31 to Rt 104 project **into separate PINs with no change in overall Scope or combined Federal Share** (NYSDOT)
- **Add new non-Federal funding** to the Rt 19 and Rt 98 over the Erie Canal Rehabilitation project (NYSDOT)

On September 24, the TDC raised no objections to the following changes:

- **Deferring the Construction phases** of the CR 31 (Exchange St) Preventive Maintenance project (Wyoming County)
