

GENESEE TRANSPORTATION COUNCIL

Annual Listing of Federally Obligated Projects
for Federal Fiscal Year 2014
(October 1, 2013 through September 30, 2014)

Purpose

Federal regulations require an "Annual Listing" of transportation projects, including investments in pedestrian walkways and bicycle facilities, for which federal funds have been obligated in the preceding year be made available for public review by the Metropolitan Planning Organization (MPO). The listing must be consistent with the funding categories identified in the Transportation Improvement Program (TIP).

In order to meet this requirement, Genesee Transportation Council (GTC) staff solicited information from the New York State Department of Transportation (NYSDOT) and the Rochester Genesee Regional Transportation Authority (RGRTA), and compiled a list of projects located in the seven-county NYSDOT-Region 4 area for which federal transportation funds were obligated in Federal Fiscal Year (FFY) 2014 (i.e., between October 1, 2013 and September 30, 2014).

An obligation is the U.S. Department of Transportation's legal commitment to pay the federal share of a project's cost. Projects for which funds have been obligated are not necessarily initiated or completed in a given program year, and the amount of the obligation in a single year will not necessarily equal the total cost of the project.

Background

The U.S. Department of Transportation requires every metropolitan area with a population over 50,000 to have a designated MPO to qualify for receipt of federal highway and public transportation funds. The Governor of New York State designated GTC as the MPO responsible for transportation planning in the nine-county Genesee-Finger Lakes region, which includes Genesee, Livingston, Monroe, Ontario, Orleans, Seneca, Wayne, Wyoming, and Yates counties.

As the designated MPO, GTC is responsible for programming transportation improvements in the Rochester Metropolitan Planning Area (MPA). The Rochester MPA includes all of Monroe County plus the adjacent developed areas of Livingston, Ontario, and Wayne counties. GTC works cooperatively with NYSDOT to develop the TIP for the seven-county NYSDOT-Region 4 area, including the Rochester MPA but excluding Seneca and Yates counties.

Transportation Improvement Program

The TIP programs the timing and funding of all transportation improvements involving federal funds over at least a four-year period for the seven-county NYSDOT-Region 4 area, including the Rochester MPA. These projects may emerge from the Unified Planning Work Program, and must be consistent with the overall objectives and strategies identified in the region's Long

Range Transportation Plan. The TIP can be viewed online at <http://www.gtcmppo.org> under "Documents".

To guide the TIP development process, GTC established a TIP Development Committee (TDC) comprised of representatives from the MPA counties (Livingston, Monroe, Ontario, and Wayne), the City of Rochester, Rochester Genesee Regional Transportation Authority (RGRTA), and NYSDOT. This Committee also meets regularly to assist GTC and NYSDOT in maintaining the TIP between updates, including review of substantive changes in projects that may require amending the adopted TIP. The Genesee/Finger Lakes Regional Planning Council serves as an advisory member to the TDC.

The key steps in the TIP development process are:

- Solicit project proposals
- Evaluate and rank proposals
- Develop preliminary program
- Conduct public review
- Develop final program
- Adoption by GTC Board

Public Involvement

The GTC *Public Participation Plan* establishes specific requirements for public involvement in the development of the TIP. A draft is published for a minimum 30-day public review and is made available in public locations throughout the seven-county NYSDOT-Region 4 area, including the county planning offices, central repository libraries in the Rochester MPA counties, and offices of other public agencies affiliated with GTC. This public review document is also made available through the GTC website.

During the public review period, GTC sponsors at least three public meetings at locations across the Rochester MPA (i.e., City of Rochester, west side suburb, and east side suburb) that include a presentation on the TIP and identification of proposed projects. The purpose of these meetings is to receive verbal and written comments on the public review document. Written comments can also be submitted via fax, email, and regular mail throughout the public review period.

GTC staff provides a synopsis of verbal comments, copies of written comments, and a summary of comments by common project focus to the TDC and the GTC Planning Committee for consideration. If the Planning Committee deems any changes made in response to the public comments to be significant, it must approve a revised public review document that is available for a subsequent 10-day public review period. This public review document includes an explanation of what was changed from the initial public review document. Written public comments may be submitted via fax, email, and regular mail throughout the 10-day public review period.

After the 10-day public review period concludes, the GTC Planning Committee considers any additional public comment and recommends a final draft TIP for GTC Board consideration. The

GTC Board considers any public comments and adopts the TIP. All GTC Planning Committee and GTC Board meetings are open to the public.

This Annual Listing furthers the GTC commitment to public involvement by providing information regarding the implementation of projects that are programmed in the TIP.

Annual Listing

The list of obligated projects is organized and presented in a manner consistent with the Transportation Improvement Program (TIP). For each project, the list includes:

- the identifier (TIP #) that GTC uses to track projects;
- the identifier (Project Identification Number or PIN) that NYSDOT uses to track projects;
- the project name and description;
- the project sponsor;
- the project phases and amount of federal funds that were programmed by phase;
- the amount of federal funds that were obligated by phase prior to FFY 2014; and
- the amount of federal funds that were obligated by phase in FFY 2014.

The TIP identifies project costs and schedule by phase. These phases are:

- Scoping: This phase includes meetings with project developers and designers, local government representatives, and other involved parties. Decisions are made regarding specific elements that will be included in the project and the range of design alternatives that will be investigated.
- Preliminary Engineering: This phase includes basic engineering work on each alternative, traffic studies, environmental analyses, and other work specific to the project. Public outreach in accordance with state and federal requirements is used to gain community input on the project. A preferred alternative is selected to advance the project.
- Detailed Design: This phase includes detailed engineering work on the preferred alternative. This phase results in the plans and specifications that the construction contractor will work from.
- Right-of-Way Incidentals: This phase includes preparation work required prior to right-of-way acquisition.
- Right-of-Way Acquisition: This phase includes the acquisition of right-of-way (property) necessary to complete the project. Acquisition can be achieved through the purchase of property or an easement.
- Construction: This phase includes all work necessary to build the project.
- Construction Inspection: This phase includes ongoing inspection to ensure construction is performed properly and conforms to specifications.

- Other: This phase is usually associated with public transportation projects and involves the purchase and acquisition of vehicles and associated preventive maintenance, though in some cases, such as for station, parking, and maintenance/storage facilities, the construction of fixed or permanent facilities is undertaken.

This phase also includes funding for agency staff and/or contractors to perform work that supports the management and operation of the transportation system (e.g., bridge inspection, traffic center operations, etc.).

The attached table lists projects from the TIP in the seven-county NYSDOT-Region 4 area for which federal transportation funds were obligated in FFY 2014 and the corresponding phases of the project. Maps presenting the above mentioned projects are also provided.

GTC's Commitment to the Public

The Genesee Transportation Council assures that no person shall, on the grounds of race, color, national origin, disability, age, gender, or income status, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity. GTC further assures every effort will be made to ensure nondiscrimination in all of its programs activities, whether those programs and activities are federally funded or not.

En Español

El Consejo Genesee del Transporte asegura completa implementación del Título VI de la Ley de Derechos Civiles de 1964, que prohíbe la discriminación por motivo de raza, color de piel, origen nacional edad, género, discapacidad, o estado de ingresos, en la provisión de beneficios y servicios que sean resultado de programas y actividades que reciban asistencia financiera federal.

Financial assistance for the preparation of this report was provided by the Federal Highway Administration and Federal Transit Administration. ---	493353 Sodus Center Road Railroad Crossing: Reconstruct the Sodus Center Rd. railroad crossing (Ontario Midland Railroad) in the Town of Sodus.	NYS DOT	Construction	\$0	\$180,000	\$12,000	104	\$0
Bridge Projects								
B07-31-WA2	475493 Water Street Bridge over Ganargua Creek: Rehabilitate the Water St. bridge over Ganargua Creek in the Village of Lyons.	Village of Lyons	Construction	\$0	\$275,000	(\$248,000)	105	\$0
B14-06-WA2	476061 Whitbeck Road over Ganargua Creek Bridge Minor Rehabilitation: Rehabilitate the Whitbeck Road bridge over Ganargua Creek in the Town of Palmyra.	Wayne County	Scoping Preliminary Engineering Detailed Design	\$6,608 \$38,822 \$32,780	\$0 \$0 \$0	\$7,000 \$39,000 \$25,000	106	\$0 \$0 \$7,780
Bicycle & Pedestrian Projects								
N14-03-WA2	476077 Erie Canalway Trail West of NYS Route 414: Construct a multi-use trail from the intersection of Sodus and Williams Streets (Village of Clyde) along the original Erie Canal towpath westward into the Town of Galen.	Village of Clyde	Preliminary Engineering ROW Incidentals	\$47,344 \$4,800	\$0 \$0	\$19,000 \$5,000	107	\$28,344 \$0
Projects principally located in Wayne County (inside & outside MPA)								
Highway Projects								
H11-48-WA3	475588 Wayne County Horizontal Curve Sign Installation: Install new warning signs at horizontal curves throughout Wayne County.	Wayne County	Construction Construction Inspection	\$297,000 \$31,500	\$0 \$0	\$206,000 \$36,000	*	\$91,000 \$0
H14-42-WA3	493380 CSX Main Line Railroad Crossings in Wayne County: Upgrade warning lights and signs at multiple rail crossing locations along the CSX Main Line in Wayne County.	NYS DOT	Preliminary Engineering Construction	\$34,200 \$307,800	\$0 \$0	\$34,000 \$308,000	*	\$200 \$0
Other Projects								
O05-06-WA3	475422 Wayne County & Town Signage Program: Upgrade all County and Town owned traffic signage in Wayne County to current standards.	Wayne County	Other	\$0	\$0	(\$61,000)	*	\$61,000

* Project not shown on map.

Annual Listing of Federally Obligated Projects for FFY 2014

Project Identifiers TIP #	Project Name: PIN	Project Name: Description	Project Sponsor	Phases Obligated in FFY 2014	Federal Funds Programmed in FFY 2014	Federal Funds Obligated Prior to FFY 2014	Federal Funds Obligated in FFY 2014	Map ID	Federal Funds Remaining
Projects principally located in Genesee County (outside MPA)									
Highway Projects									
H01-31-GN2	475340	Route 98 (Walnut Street) Reconstruction: Reconstruct NYS Route 98 (Walnut St.) from Franklin St. south to the Batavia City line in the City of Batavia.	City of Batavia	Detailed Design ROW Acquisition	\$0 \$0	\$198,000 \$320,000	(\$46,000) (\$53,000)	108	\$0 \$0
H05-12-GN2	406303	Route 63 & Route 262 in the Village of Oakfield: Reconstruct NYS Route 63 & NYS Route 262 in the Village of Oakfield.	NYS DOT	Other	\$0	\$5,575,000	\$105,000	109	\$0
H05-13-GN2	407706	Route 77 Rehabilitation, Route 20 to the Thruway: Rehabilitate NYS Route 77 from NYS Route 20 to the Thruway (I-90) in the Towns of Darien and Pembroke and the Village of Corfu.	NYS DOT	Detailed Design	\$0	\$529,000	\$113,000	110	\$0
H07-38-GN2	475437	Cedar Street Reconstruction: Reconstruct Cedar St. from NYS Route 5 (E. Main St.) to NYS Route 63 (Ellicott St.) in the City of Batavia.	City of Batavia	Preliminary Engineering Construction Construction Inspection	\$0 \$1,946,879 \$247,122	\$0 \$2,766,000 \$364,000	\$28,000 \$1,947,000 \$247,000	111	\$0 \$0 \$0
H11-47-GN2	475587	Pratt Rd. & Powers Rd. Intersection Improvement: Improve the sight distance of the approaches to the Pratt Rd. & Powers Rd. intersection in	Genesee County	ROW Acquisition Construction Construction Inspection	\$4,500 \$576,000 \$86,400	\$0 \$0 \$0	\$5,000 \$576,000 \$86,000	112	\$0 \$0 \$400
Bridge Projects									
B07-25-GN2	475460	Griswold Road over Black Creek: Replace the Griswold Rd. bridge over Black Creek in the Town of Stafford.	Genesee County	ROW Acquisition Construction Construction Inspection	\$0 \$117,485 \$11,378	\$4,000 \$482,000 \$65,000	\$5,000 \$112,000 \$11,000	113	\$0 \$0 \$0
B07-26-GN2	475461	Black Street over Mud Creek: Replace the Black St. bridge over Mud Creek in the Town of Pavilion.	Genesee County	Construction	\$0	\$287,000	(\$52,000)	114	\$0
B07-27-GN2	475462	Hopkins Road over Bowen Creek: Replace the Hopkins Rd. bridge over Bowen Creek in the Town of Batavia	Genesee County	Detailed Design ROW Incidentals ROW Acquisition Construction Construction Inspection	\$41,613 \$10,331 \$3,692 \$53,935 \$8,918	\$0 \$0 \$4,000 \$309,000 \$43,000	\$42,000 \$9,000 (\$2,000) \$54,000 \$9,000	115	\$0 \$1,331 \$1,692 \$0 \$0
B11-71-GN2	475570	North Pembroke Road over Tonawanda Creek Preventive Maintenance: Conduct element-specific preventive maintenance of the North Pembroke Rd. over Tonawanda Creek in the Town of Pembroke.	Genesee County	Detailed Design Construction Construction Inspection	\$0 \$0 \$0	\$0 \$212,000 \$54,000	(\$66,000) \$12,000 (\$6,000)	116	\$66,000 \$0 \$0
Bicycle & Pedestrian Projects									
Projects principally located in Orleans County (outside MPA)									
Highway Projects									
H07-42-OR2	475485	Bates Road Reconstruction: Reconstruct Bates Rd. from NYS Route 31A (Maple Ridge Rd.) to NYS Route 31 in the Village of Medina and the Towns of Shelby and Ridgeway.	Orleans Co. EDA	Construction Inspection	\$19,086	\$0	\$18,000	117	\$1,086
H11-27-OR2	493368	State School Road Railroad Crossing: Upgrade the warning devices at the State School Road railroad crossing in the Town of Albion.	NYS DOT	Preliminary Engineering Construction	\$17,000 \$153,000	\$0 \$0	\$17,000 \$150,000	118	\$0 \$3,000
Bridge Projects									
B11-13-OR2	475285	Clarendon Street Bridge over Falls Road Railroad: Remove the Clarendon Street Bridge over Falls Road Railroad in the Village of Albion.	Village of Albion	Detailed Design ROW Incidentals ROW Acquisition Construction Construction Inspection	\$208,000 \$20,000 \$9,600 \$560,000 \$88,000	\$267,000 \$34,000 \$0 \$560,000 \$0	\$220,000 (\$25,000) \$34,000 \$560,000 \$88,000	119	\$0 \$11,000 \$0 \$0 \$0
B11-18-OR2	475529	Route 279 over Oak Orchard Creek Preventive Maintenance: Conduct element-specific preventive maintenance on the Route 279 bridge over Oak Orchard Creek in the Town of Carlton.	Orleans County	Construction Construction Inspection	\$1,298,299 \$133,122	\$0 \$0	\$1,298,000 \$133,000	120	\$299 \$122
B11-31-OR2	475542	Hulberton Road over West Branch Sandy Creek: Replace the Hulberton Road bridge over West Branch Sandy Creek in the Town of Murray.	Orleans County	ROW Incidentals ROW Acquisition Construction Construction Inspection	\$0 \$9,600 \$720,000 \$146,657	\$0 \$0 \$0 \$0	\$3,000 \$5,000 \$720,000 \$147,000	121	\$0 \$4,600 \$0 \$0

<u>Projects principally located in Wyoming County (outside MPA)</u>									
Highway Projects									
H11-17-WY2	493360	Evans Road Railroad Crossing (R&S RR): Reconstruct the Evans Rd. railroad crossing (R&S RR) in the Town of Gainesville.	NYS DOT	Construction	\$37,800	\$0	\$31,000	122	\$6,800
H11-49-WY2	475589	Wyoming County Horizontal Curve Sign Replacement: Replace and/or relocate existing warning signs at horizontal curves throughout Wyoming County to meet revised standards.	Wyoming County	Construction Construction Inspection	\$191,360 \$34,200	\$0 \$0	\$206,000 \$38,000	*	\$0 \$0
Bridge Projects									
B07-38-WY2	407810	Route 78 Bridge over Cattaraugus Creek: Replace the NYS Route 78 bridge over Cattaraugus Creek in the Town of Java.	NYS DOT	Preliminary Engineering Construction	\$0 \$0	\$83,000 \$949,000	\$51,000 \$165,000	123	\$0 \$0
B07-47-WY2	475501	Allen Street over Oatka Creek: Replace the Allen St. bridge over Oatka Creek in the Village of Warsaw.	Wyoming County	Construction Construction Inspection	\$0 \$0	\$475,000 \$67,000	(\$30,000) \$72,000	124	\$0 \$0
B07-48-WY2	475502	Griffith Road over East Koy Creek: Replace the Griffith Rd. bridge over East Koy Creek in the Town of Sheldon.	Wyoming County	Detailed Design	\$0	\$54,000	(\$50,000)	125	\$0
B07-52-WY2	475500	Dutch Hollow Road over Glade Creek: Replace the Dutch Hollow Rd. bridge over Glade Creek in the Town of Pike.	Wyoming County	Construction	\$0	\$290,000	(\$289,000)	126	\$0
B11-20-WY2	475531	Wyoming County Bridge Preventive Maintenance: Conduct element-specific preventive maintenance on five bridges in Wyoming County.	Wyoming County	Construction Construction Inspection	\$24,000 \$33,600	\$454,000 \$54,000	\$24,000 \$34,000	*	\$0 \$0
B11-61-WY2	475561	Wyoming County 2013 Bridge Preventive Maintenance: Conduct element-specific preventive maintenance of 29 bridges throughout Wyoming County.	Wyoming County	Construction Construction Inspection	\$205,920 \$82,800	\$604,000 \$60,000	\$206,000 \$83,000	*	\$0 \$0
Bicycle & Pedestrian Projects									
N14-04-WY2	476078	Downtown Perry Streetscape: Install bump outs, bike lanes, enhanced crosswalks, raised medians, pedestrian scale lighting, and street furniture as well as widened sidewalks, on Main Street in the Village of Perry.	Village of Perry	Preliminary Engineering	\$214,188	\$0	\$69,000	127	\$145,188
<u>Projects principally located Regionwide (inside and/or outside MPA)</u>									
Highway Projects									
H05-05AR41	439049	I-390 Concrete Pavement Restoration in Rush and Henrietta: Resurface I-390 from Honeoye Falls Rd. No. 6 to I-90 (Exit 12) in the Towns of Rush and Henrietta.	NYS DOT	Construction	\$0	\$4,391,000	(\$187,000)	128	\$0
H14-32-R43	4T5115	2015 Centerline Audible Roadway Delineator: Install centerline audible roadway delineators at select locations throughout the region to reduce head-on and run-off crashes.	NYS DOT	Detailed Design	\$76,500	\$0	\$77,000	*	\$0
H14-49-R42	406351	Route 63 (Livingston Co. Line to Rt. 20) Preventive Maintenance: Conduct preventive maintenance on Route 63 from the Livingston County Line to Rt. 20 in the Towns of Covington and Pavilion.	NYS DOT	Construction	\$917,600	\$0	\$918,000	129	\$0
Bridge Projects									
B11-51-R43	4B1202	Local Bridge Inspection (2012): Inspect local bridges in various locations.	NYS DOT	Preliminary Engineering	\$0	\$2,645,000	\$1,240,000	*	\$0
B11-59-R43	480621	NYS DOT Bridge Bearing Replacements and Pedestal Repairs: Conduct element-specific preventive maintenance on 17 bridges in Monroe and Wayne counties.	NYS DOT	Detailed Design	\$0	\$0	\$35,000	*	\$0
B11-65-R43	480623	NYS DOT Prestressed Concrete Box Beam Bridge Repairs: Conduct element-specific preventive maintenance on 63 bridges throughout the region.	NYS DOT	Detailed Design	\$0	\$0	(\$164,000)	*	\$164,000
B14-07-R43	480637	NYS DOT Bridge Preventive Maintenance at 7 locations (FFY 2017): Conduct element-specific preventive maintenance on seven bridges throughout the region.	NYS DOT	Scoping Preliminary Engineering	\$55,755 \$146,266	\$0 \$0	\$56,000 \$146,000	*	\$0 \$266
B14-21-R43	4B1402	Local Bridge Inspection (2014 & 2015): Inspect local bridges in various locations.	NYS DOT	Preliminary Engineering	\$2,307,200	\$0	\$3,080,000	*	\$0
