Orleans County, on behalf of the Village of Medina, is requesting an amendment to the *FY 2018-2019 Unified Planning Work Program* (UPWP) for Planning Committee consideration and recommendation to the GTC Board.

The requested change would reprogram \$15,000 of FHWA Metropolitan Planning (PL) funds allocated to Task 1600 – Program Reserve to Task 8776 – Maple Ridge Road Corridor Pedestrian and Bicycle Accommodations Feasibility Study. Orleans County has committed an additional \$1,000 of in-kind contributions.

The Village of Medina requested additional funds in order to expand the scope of the project to include broader considerations of access management along the corridor in light of recent indications that a new turning lane may be needed in the study area.
