

MEMORANDUM

TO: Planning Committee Members & Alternates
FROM: James Stack, Executive Director JS
DATE: May 6, 2021
SUBJECT: Staff Modifications to the *2020-2024 Transportation Improvement Program*

The *GTC TIP Procedures Manual* (revised March 8, 2018) allows for GTC staff to make minor modifications to TIP projects with concurrence from the TIP Development Committee (TDC). The Procedures Manual requires that certain changes be reported to the GTC Planning Committee for informational purposes.

On April 15, the TDC raised no objections to the following changes:

- **Add new non-Federal funding** to the CR 62 (Bronson Hill Rd) Rehabilitation project (Livingston County)
- **Add new non-Federal funding** to the Genesee Street Reconstruction project (City of Rochester)
