## GENESEE TRANSPORTATION COUNCIL

### RESOLUTION

#### **Resolution 22-57 Adopting the 2023-2027 Transportation Improvement Program**

#### **WHEREAS,**

1. The Genesee Transportation Council (GTC) has been designated by the Governor of New York State as the Metropolitan Planning Organization responsible for transportation planning for the nine-county Genesee-Finger Lakes Region, including the Rochester Metropolitan Planning Area (MPA);
2. Federal regulations require that the urban transportation planning process include the cooperative development of a transportation improvement program, consisting of a staged multi-year program of projects consistent with the metropolitan transportation plan;
3. The *Long Range Transportation Plan for the Genesee-Finger Lakes Region 2045* is the current metropolitan transportation plan which guides the planning and development of transportation improvements and their selection for inclusion in the transportation improvement program;
4. The proposed *2023-2027 Transportation Improvement Program (TIP)* is wholly consistent with the *Long Range Transportation Plan for the Genesee-Finger Lakes Region 2045*;
5. The TIP has been developed in accordance with the adopted *GTC Transportation Improvement Program Procedures Manual* and the *Agreement by and among GTC, New York State Department of Transportation, and Rochester Genesee Regional Transportation Authority*, which identifies and specifies the responsibilities and cooperative procedures for carrying out transportation planning (including without limitation corridor and subarea studies) and programming consistent with Title 23 Section 450 (23 CFR 450) Subpart C of the Code of Federal Regulations;
6. GTC, via the TIP, has proposed to be implemented in the Rochester MPA those projects utilizing eligible federal funding categories included in Title 23 and Title 49 of the United States Code (USC) as amended;
7. The TIP and the projects contained therein can be advanced with funds that are reasonably expected to be available to support their implementation;
8. The members of GTC agree to use the TIP as the project selection document for implementation to satisfy the project selection requirements of Infrastructure and Investment Jobs Act (IIJA) and any successor federal transportation legislation;

9. Projects in this document remain in effect until revised by further TIP actions;
10. Transportation projects outside of the Rochester MPA but within the GTC nine-county planning region that are eligible for funds from categories included in Title 23 and Title 49 of the USC may be included in the TIP for information purposes in order to give a comprehensive picture of transportation improvements within the region;
11. It is recognized that projects included in the TIP may cost incrementally more or less than the estimates provided and future funding availability and/or changes in investment priorities will require amendments to the adopted TIP; and
12. It is also recognized that the actions shown in the TIP will be included without change in the Statewide TIP to be approved by the Federal Highway Administration and the Federal Transit Administration.

**NOW, THEREFORE, BE IT RESOLVED**

1. That GTC hereby adopts the *2023-2027 Transportation Improvement Program (TIP)* for the Rochester Metropolitan Planning Area;
2. That GTC fully intends those projects shown in the TIP to progress under the appropriate program categories of the Infrastructure and Investment Jobs Act (IIJA) and any successor federal transportation legislation, subject to fund availability, their continuing eligibility under those programs, and maintenance of their priorities when considered against other candidate projects as they may be developed under whatever rules and procedures may then pertain; and
3. That this resolution takes effect immediately.

**CERTIFICATION**

The undersigned duly qualified Secretary of the Genesee Transportation Council certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Genesee Transportation Council held on August 25, 2022.
